P, C

Partridge-
berry
P, L

Beechdrops
P, L

Rose hips
F, L

The Haw Ridge Greenway is a multi-purpose recreational area located on Edgemoor Road in Oak Ridge, TN. It has 20 miles of trails of varied terrain open for mountain biking, horseback riding, and hiking. Please enjoy the wildflowers in their natural setting. Do not pick or dig the plants.

This brochure shows a small sample of the wildflowers and fruits seen throughout the year. For more information on the local wildflowers, visit: www.EastTennesseeWildflowers.com. For more information on Haw Ridge, visit: <http://www.cs.utk.edu/~dunigan/fohr/>.
